I am delighted to be a member of Elsecar Holy Trinity CofE Primary Academy's Local School Board. The remit and contribution I have is to ensure the school leverages opportunities to raise additional money from grants and fundraising. These funds can then go directly into the school to benefit the children.

As parent to children within the school I am naturally passionate about ensuring the schools' success and that a high quality of opportunities exist for the pupils here. I am also a member of the PTA.

With regards credentials; I provide a skill set that is ideally suited to this role. I am a qualified accountant and Finance Director with 25 years experience in strategic leadership and financial management. I run my own consultancy providing part-time Finance Director services to businesses. A significant aspect of my services involve working with Boards to deliver their vision. One way I do this is by raising capital or funding to help them maximise profitability, improve cash flow and grow.
