On our Class Dojo account we will be posting lots of exciting things which we will be learning and doing.

What does learning look like in Y1?

 **Reading:**  
 In RWI we are working on learning our set 2 and set 3 sounds. We are trying to use expression to bring the story to life. We answer questions to make sure we really understand the text. We also think about how the characters are feeling and how they may change from the start to the end of the story.

### P.E. – Information for Parents

This year our PE lesson will be held on a Thursday afternoon. Please can you ensure your child comes to school in their PE kit. They will wear their kit all day and leave in it at the end of the day. This is so we can use P.E. time to develop skills rather than getting changed.

**Required PE kit:**

- A blue team Elsecar PE T-shirt;
- A pair of black shorts, PE skirt or Skort;
- A pair of tracksuit bottoms and a top for outdoor use;
- A pair of trainers suitable for the playground and field

Your child will be sent home with 10 spellings on a Monday. Each day pupils will complete spelling activities to help them recall and remember these spellings and understand their meaning. It is vital that these spellings are also practiced at home, ready for the spelling test on Friday afternoon. Please return pupil spelling books every Friday morning.

**Common exception words:  
(RWI Red Words)**

Below you will find the document containing all the Year 1 common exception words. These words have tricky letters which make it a challenge to spell so it is vital that the children can write these words from memory.

**Class Milton History**

Our class name comes from **Viscount Milton**. His name was given to the famous iron works at Elsecar. The Milton Ironworks was established as a furnace by the renowned Rotherham firm of **Walker and Company**. The Walkers were a major national supplier of iron products, including cannon for the Napoleonic wars.
