

Dear Parents/Carers,

Exciting Attendance Challenge – Win a Family Fun Day!

We are thrilled to announce our "March into Class" Attendance Prize Draw – a fantastic opportunity for your child to win an amazing Family Fun Day at the Metrodome Leisure Complex!

Attendance is key to success, and we want to reward our students for their dedication and commitment to learning. Every child who achieves an attendance of **96.5%** or above throughout the month of March will be entered into our exclusive prize draw.

🎉 What's Up for Grabs? 🎉 One lucky winner will receive a Family Fun Day Pass to the Metrodome, where they can enjoy swimming, slides, and an unforgettable day of excitement with their loved ones.

📅 How to Take Part: Simply ensure your child attends school every day in March (with an attendance of at least 96.5%) and they will automatically be entered into the draw!

This is a fantastic opportunity to celebrate excellent attendance and encourage our students to make the most of their learning. Let's work together to keep attendance high and spirits even higher!

Thank you for your continued support. Let's March into Class and make this an attendance challenge to remember!

Best regards,

Mrs Brooks

Attendance Officer
