Dear Parents and carers,

Re: Parental support and advice

I hope you're all well. I wanted to take the time to introduce myself and give you a bit more information about the support I offer here at school. My role is to support both pupils and parents in all aspects of school life, and I'm here to help with any concerns you might have, whether it's related to attendance, behaviour, or your child's general welfare.

Whether it's helping to resolve any issues that may arise, providing guidance on how to navigate school life, or just offering someone to talk to, I'm always happy to assist in any way I can. I believe that a strong partnership between school and home is key to ensuring the best outcomes for your child.

To make myself more available to you, I hold drop-in sessions every Thursday morning at 9am. This is an opportunity for you to come in, have a chat, and raise any concerns or questions you may have. Whether it's a quick discussion or something that requires a little more time, I'm here to support you.

Please don't hesitate to get in touch with me if you have any immediate concerns or if you'd like to book a different time to meet. I'm looking forward to working with you to ensure that your child has the best possible experience at school.

Warm regards,
Ms Brookes
