

How Children Flourish Across Our Curriculum

This document outlines how pupils at Elsecar Holy Trinity Primary School flourish academically, spiritually, morally, socially and culturally within each National Curriculum subject, rooted in the school's Christian vision where every child is valued as a child of God.

English

Children flourish by finding their voice. Through reading, writing, speaking and listening, pupils grow in confidence, empathy and understanding. High-quality texts encourage reflection on values, diversity and the human experience, developing wisdom and compassion.

Mathematics

Pupils develop perseverance, resilience and a sense of achievement. Collaborative problem-solving fosters trust, respect and mutual support, helping children grow in confidence and hope in their own abilities.

Science

Children flourish through curiosity and awe at God's world. Scientific enquiry encourages questioning, respect for evidence and stewardship of the

environment, nurturing responsibility and wonder.

Computing

Pupils learn to use technology safely, responsibly and creatively. Digital learning supports independence, ethical understanding and preparation for life in modern society.

Religious Education

RE enables children to flourish spiritually by exploring Christian faith alongside other worldviews. Pupils develop respect, reflection and understanding, enabling them to live well together in a diverse society.

History

Children grow in wisdom by learning from the past. Studying people, choices and consequences fosters moral reflection, empathy and an understanding of justice and hope.

Geography

Pupils flourish through developing a sense of place, belonging and responsibility for God's world. Learning about communities and environments encourages stewardship and global awareness.

Art and Design

Children express creativity and individuality, developing self-worth and confidence. Art provides opportunities for reflection, emotional expression and celebration of beauty.

Design and Technology

Pupils flourish through practical problem-solving, teamwork and innovation. Designing for real purposes encourages responsibility, resilience and service to others.

Music

Children flourish emotionally and spiritually through making and appreciating music. Music builds confidence, unity and joy, allowing pupils to celebrate talents and work collaboratively.

Physical Education

Pupils grow in resilience, teamwork and respect. Physical activity supports wellbeing, self-discipline and encouragement of others, promoting healthy lifestyles.

Relationships, Health and PSHE Education

Children flourish as they learn to value themselves and others. PSHE develops dignity, empathy, emotional literacy and readiness to live

positively within their
community and wider society.
