Our school, our church, our community – [www.elsecarprimary.org](http://www.elsecarprimary.org)

Friday 7<sup>TH</sup> October 2022

Dear families,

What a brilliant week we have had in school this week. We have seen our Year 6 children visit Kirk Balk Academy for their weekly science lesson where they had the opportunity to dissect a heart! During this, they learnt all of the scientific vocabulary.

**Parents evening**  
Parents evening is going to be held on Wednesday 19<sup>th</sup> and Thursday 20<sup>th</sup> October where you will have the opportunity to come into school and talk to your child's class teacher about their progress so far this year. Keep an eye out for the letters, which will be coming home shortly.

**Coffee morning**  
Just to say a massive thank you to all the wonderful parents / carers who attended our coffee morning this morning. It's always lovely to see so many parents attend to find out more about school and of course meet other parents. These are going to be held monthly so keep an eye out for the date of the next one.

**Times tables**  
As a school we see times tables as an integral part to math's...please continue to encourage your child to log onto TT Rockstars so that they can be the very best they can be! We have seen a great increase in the number of children doing this, so well done to the children so far.

Thank you  
Mr Silverwood

**Spotlight on EYFS...**

This week in Class Woodhouse we have been finding out about what happens on a farm! We can tell you about the animals you can see on a farm and all about the jobs of a farmer.

We have been retelling the story of The Little Red Hen. We have drawn pictures to help us tell the story. None of the animals in the story would help the Little Red Hen make the bread. We are going to have a go at making our own bread soon!

**Kind Heart and Star of the Week**

Well done to this week's winners!
