Friday 14<sup>th</sup> October 2022

Dear families,

What another brilliant week in school! We had a very successful school disco where it was lovely to see the children enjoying themselves.

### Parents evening

Parents evening is going to be held on Wednesday 19<sup>th</sup> and Thursday 20<sup>th</sup> October where you will have the opportunity to come into school and talk to your child's class teacher about their progress so far this year. You will also receive information about what's coming up in your child's learning. We can't wait to see you all.

### Enterprise

This week we had a meeting with Mr Robson, who leads Enterprise projects for Barnsley. He has secured some dates for next year where the children will take part in a very exciting outdoor project with the chance to win some amazing prizes for school.

We hope you have a brilliant weekend, and we look forward to seeing you all at parents' evening next week.

Thank you  
Mr Silverwood

## Spotlight on Year 1

What a week! We have celebrated all things Spanish, danced ourselves dizzy at the school disco and painted our hearts out! In literacy we have planned facts about Queen Elizabeth II and have written our own report about the Queen. In art we have studied the use of shapes and lines, by an artist called Wassily Kandinsky, to create abstract artwork using paints. We had wonderful fun mixing primary colours to turn them into secondary colours. All week all the children have been asking when are having our next art lesson? Joyous learning in Year 1.

### Kind Heart and Star of the Week

Well done to this week's winners!
