Friday 21.10.22

Dear families,

Well, what a brilliant half term we have had. Thank you to you, our wonderful parents who have supported school with various events. We have lots of exciting things happening next half term so keep up to date with our newsletters.

Parents evening

Thank you to all our parents who either attended parents evening or had their telephone conversation with their child's class teacher. It was lovely to share some of the wonderful things and experiences with you.

Books for breakfast

Thank you to the parents who attended the 'books for breakfast' morning where we enjoyed either a sausage or bacon sandwich and a good book. Look out for more events happening soon.

Science Extravaganza!

Keep an eye out for a very exciting letter coming out all about a science competition which we are holding over half term. The children can showcase the knowledge which they have learnt over this half term to create a poster, a model, a PowerPoint, or anything else creative. We ask for them to be brought back to school by Friday 4th November 2022. If you could post any photographs on Twitter of your child making their designs, this would be great – just @ your child's class.

Thank you
Mr Silverwood

Spotlight on Year 2

What an amazing week we have had! We polished off our independent writing in the style of the familiar rhyme, Pussycat Pussycat! We thought about the rhymes and the syllables carefully. We started by innovating it to be Hyena Hyena!

Our class also completed our Michelle Reader art sculptures. We took our time to use recyclable materials to create wonderful pieces of art.

On Monday, we enjoyed our wonderful treat for winning our battles on TT Rockstars. We loved School of Rock and enjoyed listening to a variety of instruments being played. When we told the children that those children and adult actors were actually playing them, they were amazed!

Kind Heart and Star of the Week

Well done to this week's winners!
