Dear Parent/Carer,

**RE: School PTA**

After consultation with yourselves around how we can improve the collaboration between parents/carers and school, many have expressed a desire to be involved in a PTA.

We all remember the PTAs of old and how they worked with staff in school. They were used to create excellent opportunities to widen the horizons of our children and give them opportunities to create, learn and engage. We want to initiate a social environment where staff and parents can work together to make our school community a fun place to be.

If you would like to register your interest for this, please email me on [s.scothern@smat.org.uk](mailto:s.scothern@smat.org.uk). We are intending the meeting to be every other week on a Tuesday afternoon at 3pm. We can't wait to start this journey with you.

Kind regards  
Mrs Scothern
