

# Elsecar News Weekly

Our school, our church, our community – [www.elsecarprimary.org](http://www.elsecarprimary.org)

Friday 18<sup>th</sup> November 2022

Dear families,

We have had a wonderful week in school this week where we have seen some wonderful learning.

### Math's week

We have been focusing on math's this week. We have had a wide range of fun activities where children have been learning about the work of inspirational mathematicians as well as solving numerous problems.

### Anti – bullying week

Thank you to everyone who came to school in their odd socks on Monday, we posted lots of different photographs on Twitter, it was great to see the children showing awareness of this special week. To follow this up, children have taken part in a wide range of exciting activities in their classes.

### White Rose Math's - parent workshop

Thank you to those parents who attended the math's parent workshop on Monday, it was great to see everyone in school learning how to support your child with math's at home.

### After – school clubs

We are delighted to offer a range of after – school clubs next half term. Keep your eyes open for the letter!

### Children in Need

What a day! Children have looked great today wearing their PJs to school to support Children in Need, thank you for all your kind donations to support this wonderful cause.

Have a great weekend,

Mr Silverwood

## Spotlight on Year 5

This week we have had a great week learning all about inspirational women in math's. We explored the work of Ada Lovelace, Mary Somerville, and Maria Gaetana Agnesi and discussed the influence they have had on math's today. We have had great fun during Children in Need Day where we have thought carefully about why we are special and the people who are special to us. Also, a big well done to our class as we won the England Rocks tournament for TTRockstars!

### Kind Heart and Star of the Week

Well done to this week's winners!
