Dear parent/carer

Re: Free online safety workshop for parents and carers

Leeder Safeguarding
Training & Consultancy

We would like to invite all parents, carers or family members to a free online safety workshop on **Wednesday 8th February at 3:30pm.**

The hour and a half workshop will help parents, carers and other adults understand their child's online world, build confidence to have those important conversations that can help keep children safe online and help you know where to go for help and advice.

The speaker for the workshop is Nigel Leeder who has worked in safeguarding for over 30 years and will share with you his vast knowledge and experience around online safety.

The content covered in the workshops is aimed at adults only, so please do not bring children along to the session.

To allow us to gauge interest in the session we would be grateful if you could complete the reply slip below and return to school by **Monday 30th January.**

If you require any further information, please contact the school office.

Kind Regards

Mr S Silverwood
Head Teacher
