Spotlight on Year 1

We have been very busy bees in Year 1 this week.

In maths we have been playing with 3D shapes to find out which shapes stack and which shapes roll. It was so much fun! In literacy we have been reciting poems in groups. We even added actions. Then we created our own alliteration to help us when we write our own poems. In PE we have moved onto throwing and catching with a partner. In geography we have been identifying the 4 countries of the United Kingdom on maps. What a wonderful week of learning!
