

### Overview

#### Writing

-When writing, we use letters and symbols to communicate our ideas to readers. Writing skills are built on strong speaking and reading skills. As these develop, children move from mark making to forming letters and words.

In EYFS, early writing knowledge is based within the 'Literacy', 'Communication & Language' and 'Physical Development' learning areas.

### Literacy - Phonics

-Phonics is a way of learning to read, by understanding the sounds that letters make.

In EYFS, children should use their phonic knowledge in order to write words to match their spoken sounds. They can also spell some common tricky words, that do not follow phonic patterns.

### Literacy - Writing

#### Handwriting

-Writing should be able to be read by others. Know that there are small letters: a c e i m n o r s u v w x and z. Some letters are taller (ascenders): b d h l and t. Some letters go below the line (descenders): g j p q y.

#### Vocabulary

Sub-Area: Speaking  
-Vocabulary means the words that we know.  
-We should try to learn as many different words as we can, so that we can read and write clearly.  
-We should be able to write some CVC (consonant, vowel, consonant) and CVCC words correctly.

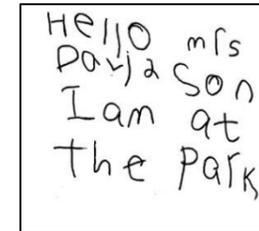

#### Names and Labels

Sub-Area: Writing  
-We should be able to write our name, and some other familiar words (words that we know well) e.g. mum, dad, sibling's name etc.

-We can also label familiar places, animals and objects with accuracy, e.g. shop, car, dog, duck,

#### Simple Sentences

-A sentence is a group of words put together to mean something. We should start to write sentences that have a real meaning, and can be read by others.
