We are asking for all children to attend in non - uniform on Monday 27th March wearing something purple. This can be anything from a hair accessory, a belt or even socks! we are asking for a donation of £1 per child which can be given to the class teacher. These funds will go to Epilepsy.org and the school PTA.

Spotlight on Year 3

We have been so busy in Year 3 this week. We started the week with a timeline of key periods in British prehistory. This wasn't just any timeline though, we made a human timeline where we decided where each event should be placed using chronology. We really enjoyed this history learning and we also had lots to discuss. In science we have learned about soil, why it's so important and its uses.
