### Spotlight on Year 2

In Class Fitzwilliam we have been in full Easter mode.

We have enjoyed making little chicks with our thumbs and some yellow paint. We have really enjoyed learning our part for the Easter Service we really like acting out parts of the bible to help us understand the lessons within.

We have been working hard on our mathematical talk and deepening our understanding about multiplication and division.

### Spotlight on Year 1

In Year 1 we have finished writing our instructions telling our parents how to catch any monsters, aliens or creepers that may be lurking around! We also dressed in purple to raise money and awareness for people with epilepsy. On Thursday, we took part in our end of term Easter service which retells the events of the Jesus' crucifixion. We really enjoyed taking part with the rest of the school.
