How is it half term already? We have had a wonderful half term where we have provided the children with some amazing opportunities. This week the children have been able to all take part in our DT week with activities including:

- **Foundation Stage** - Castle building
- **Year 1** - Making moving mechanisms
- **Year 2** - Tasting and making our own dips
- **Year 3** - Making our own greenhouses
- **Year 4** - Making our own bread
- **Year 5** - Making our own pencil cases
- **Year 6** - Upcycling (to be completed after half term)

We would like to take this opportunity to thank you for your wonderful, continued support within school and hope you have a wonderful half term. We will be back to school on Tuesday 6<sup>th</sup> June.

## Warmer Weather

As we have been enjoying this beautiful weather (which has been a long time coming) please can we remind you that you that children can bring a hat and of course their water bottle to school. Please ensure that if the weather forecast continues then you can apply sunscreen at home before the children come to school. If they do bring their sunscreen in class then please can you ensure that it is clearly labelled with their name on.

## Attendance

Well done to this week's winners: **EYFS**

## We need you!

For the last half term we would like to have a real push on our curriculum driver...aspirations. We would like to invite parents / grandparents / carers into school to come and talk to the children about their career. This will include the qualifications / experience you need for your job. Also if you could bring anything to support your talk for example, your uniform for example. We are very grateful for your help. Please see Mrs Westwood to arrange when you could come in 😊

## Spotlight on Year 3

What a fantastic week we have had in Year 3. Following on from our amazing trip last week to Yorkshire Wildlife Park, we have been preparing and planning a recount about what we saw and did whilst we were there. We will be bringing a copy home for our grown-ups to read and enjoy when they are completed. In DT we've been making a mini greenhouse, the structures have been a challenge, but we've really enjoyed designing and making them.
