This week

We've had a wonderful second week back at school.

The children have been an absolute pleasure this week in school, especially with the warmer weather. Children have come well equipped with their water bottles, suncream and hats.

Across school children have been working really hard with their writing, in Year 5 they have developed their story writing skills and in Year 2 they have developed their skills when writing their own endings to the Peter Rabbit stories.

We hope everyone has a fabulous sunny weekend!

Year 5 Drama Festival

What an absolute pleasure the Year 5 children were at the Drama Festival on Wednesday.

They worked so hard and even had a standing ovation at the end. The children acted with such confidence and spoke clearly when saying all of their lines. We certainly have lots of talent in the Year 5 class.

We look forward to hearing if any children are going to pursue their acting at Take 2 Theatre.

Dates for the diary

Thursday, 22nd June
Year 6 Fashion Show 2:30pm

Friday, 23rd June
Year 2 Scarborough trip

Monday, 26th June

Back up EYFS Sports Day 9:30am

Thursday, 20th July
Year 6 Leavers' Assembly 9:30am
Year 6 Leavers' Performance
1:30pm and 6:00pm

Uniform reminder

A gentle reminder about days when your child has PE. Please can you ensure that they are wearing the correct school uniform on these days. We understand that you will be buying new uniform in September, here is the link you can follow:

Attendance

Well done to this week's winners: **Year 2**

Attendance this week: 92%

Attendance this year: 92.9%

Attendance target: 96.5%

Spotlight on Year 1

This week we have looked at using a mnemonic to spell 'because' correctly. Then we used this word in sentences to give our reader more interesting information. In science we have been comparing evergreen and deciduous trees by looking at the leaves of each type of tree. We also planted a broad bean seed so that we can investigate growth over time. We will be watching what happens each week and writing a plant diary. In P.E. we are working on our balance skills for the egg and spoon race.
