What a wonderful week we've had. It's been a welcome change for the cooler weather this week and the children have certainly loved their playtimes and lunchtimes more. There has been a positive vibe around school and the children seem to have had a real positive attitude around school this week, which has been lovely to see. Year 2 had a brilliant trip to Scarborough last week, made lots of sandcastles and made some very important memories. Next week we have our lovely Foundation children off to Cleethorpes where I'm sure they will have an amazing time!

Year 3 Ukelele Visit

Yesterday, our wonderful Year 3 children represented our school in a Trust Event at the Metrodome. They were joined by other children from different classes from our other 8 Trust Schools. They played fantastically and represented our school brilliantly.
Well done to Year 3!

Lost property

The lost property box will be out on the playground at home time. Any items which haven't been claimed 21st July will be donated.

Dates for the diary

Monday, 3rd July
EYFS Trip to Cleethorpes

Attendance

Well done to this week's winners:
Year 6

Attendance this week: 90.4%
Attendance this year: 92.9%
Attendance target: 96.5%

Spotlight on Year 5

Year 5 have had an amazing week in school where they have been learning all about Earth and Space. We have been learning that there are now eight planets as Pluto is now classed as a dwarf planet. We have also had a great visit to Underbank Activity Centre where we took part in many different activities such as climbing, paddle boarding and archery. We had an amazing time and the children certainly did us proud, showing such a positive attitude towards trying new experiences.

Well done Year 5!
