This week

What a wonderful week we have had. Our children have really enjoyed our Art Week which we have had.

Our focus this week has developed children's skills when using pencils. Year 5 have focussed on learning all about the different types of shading and Year 2 have learnt all about experimenting with different drawing pencils and seeing what the effects are. We cannot believe it is the last week next week until we break up for summer.

I'm sure that the children will love their last week in their classes as their teachers have some very exciting things planned for them.

Thank you

Just to say a huge thank you for this year.

We always encourage parents/carers support with your child.

We are aiming next year to welcome more parents into class where we will be holding science competitions as well as open book events so that you can keep up-to-date with your child's progress.

We always welcome any feedback or ideas as to what we could do to encourage parent communication within school.

Please see Mrs Westwood.

Dates for the diary

Tuesday, 18th July

Bouncy Castle Treat

Please email Mr Silverwood if you would not like your child to participate.

Thursday, 20th July

Year 6 Leavers' Assembly 9:30am

Year 6 Leavers' Performance

Wednesday, 6th September

Back to school all pupils

Summer Raffle

Raffle tickets are still available for next week's raffle.

They are £1 per strip - please collect yours from the school office or they are on sale at the end of the day in the playground.

Transition

What a wonderful transition morning the children have had in school today. The children have gone into their new classes for next year and loved it. They are definitely ready to move to their next year groups now as they are showing such wonderful, mature behaviour. Well done to everyone!

Attendance

Well done to this week's winners:

Year 6

Attendance this week: 95.6%

Attendance this year: 92.9%

Attendance target: 96.5%

Spotlight on Year 4

This week has been Art week in class Newcomen. We have been looking at the artist Kathe Kollwitz and her emotive portraits set in times of trouble. We have practiced the different techniques of chiaroscuro; blending, hatching, cross-hatching and stippling, and sketched our own emotive portraits.

We have also completed our sports day, sponsored mile and transition day.

It's been a very busy, but fun week in Year 4!
