This week

What a wonderful last week we have had in school.

Firstly, I would like to say a huge thank you for the thoughtful donations which were given for the non-uniform day we had in school. We held our bottle and chocolate tombola as well as our raffle. We have raised money for school, which again, we will be asking our school council the best way in which we can spend this to benefit our children.

The children have had an exciting week in school which has included our wonderful performance of The Lion King by our talented Year 6 children. We held an afternoon and an evening performance, both which were well attended. We are all so proud of how dedicated and confident our children were...they have been a real credit to our wonderful school and they certainly will be missed next year. We wish them every success in their new school and of course for their future, they definitely do have very high expectations of their careers when they are older. As a school, we couldn't be prouder.

One last word from us for this year...just to say, as always, a huge thank you for your wonderful support this year we have had lots of parental engagement within school, that is something very special about Elsecar, which we truly appreciate. We look forward to working with your wonderful children next year and will be ready and raring to in September. Remember we come back to school on Wednesday 6th September.

Thank you,

Mr Silverwood, Mrs Westwood and the rest of our staff
