## Welcome back

Welcome back to school and what a fabulous week back we have had. It has been an absolute pleasure to welcome our children back into school and we certainly have some exciting plans for the year ahead.

This half term, Year 6 will be visiting the National Coal Mining Museum, Year 5 will be attending the Jorvik Viking Centre as well as Year 1 visiting Conisbrough Castle. We are sure that our children will have a wonderful time and represent our school brilliantly. Look out for your child's class for trips that are going to be upcoming...

## RAAC

As you are all aware the Government is currently completing a significant survey of public sector buildings, including schools, with regard to the presence of RAAC (reinforced autoclaved aerated concrete)

RLB building surveyors are working with SMAT to complete this work and Tamara Gulliver (DCEO) is meeting them on Monday 11th September 2023 for a progress meeting. Following on from this meeting we will provide you with more information next week. The safety of all our pupils is paramount in all of our schools.

## Parental involvement

This year we would really like to keep parents well informed about all aspects of our curriculum and what your child is going to be learning throughout the year. Teachers are sending information about what is being taught during this term in your child's class, this is going to include information about PE, homework dates and any booked dates that your child's class teacher may have already booked in.
