This week

The Year 1 children have had the opportunity to visit Conisbrough Castle this week where they loved learning facts about the history of the site. It was certainly lovely to accompany them, they definitely showed how much knowledge they have already learnt.

The Year 5 children have also had a wonderful experience at Jorvik Viking Centre where they were able to share their knowledge of what they have learnt in their history unit so far.

Attendance

Well done to this week's winners:
Year 6

Attendance this week: 90.4%
Attendance this year: 94.7%
Attendance target: 96.5%

Year 6 visit the National Coal Mining Museum

Year 6 had a wonderful experience where they learnt all about what it was like down the mine. They also learnt about how people lived during the Victorian times and the horrible conditions that children as young as 5 used to work in. One of their favourite parts was definitely seeing the pit ponies!

Spotlight on Year 2

We have had a busy time in Year 2 since learning all about Harvest Festivals. We enjoyed making turnip soup after re-telling the story of The Enormous Turnip but we were not so keen on the taste! We also made stick puppets in groups and a clay turnip! We have also learnt about Sukkot, the Jewish Harvest. We made Sukkah huts and sang songs.

Year 2 have also been busy with spelling as well as reading and writing sentences using adjectives and verbs. Today was very exciting in maths because we were using our rekenrek counting frames for the first time.
