Dear Parents/Carers

Re: Celebrating Our Cultural Diversity in School.

As a school we would like to celebrate our cultural diversity and look at the many ways in which we can share this with our children and the wider community in school.

Children who learn about diversity and cultural awareness have better social skills, increased confidence and are often more accepting of people who are different from themselves.

I would therefore like to invite parents and carers to come into school to work alongside us to help integrate diversity into our school-life and share with us your own experiences.

Our first meeting will take place on **Thursday 26th October at 2:45pm** and everyone is welcome to attend.

If you have any questions, please give me a call, or drop me an email.

Kind regards

Mr S Silverwood
