

Dear Parent/Carer

**Re: TT Rock Stars and Numbots Day – Friday 27<sup>th</sup> October**

To launch Times Tables Rock Stars and Numbots for the school this year, we are going to be holding a rock star and numbots day in school. Times Table Rock Stars is an online multiplication game to improve recall of times table and division facts. Numbots is primarily used by KS1 and Year 2 and is designed to support addition and subtraction skills.

**On Friday, the 27<sup>th</sup> October** your child can come to school dressed up as a rock star or numbot robot for the day! Leather jackets, wigs, air guitars, rock band t-shirts and sunglasses are all welcome. Let your inner rock star come out for the day.

The children will be taking part in rock battles across the week and there will be certificates and prizes for winning year groups. This year we are asking for a donation of £1 to contribute to funding White Rose Maths homework booklets.

If your child is in Year 1 – Year 6 and doesn't have any login details, please email their class teacher. Mrs Proud's children are most welcome to dress up too.

Many thanks for your support,

Mrs Burrows  
Maths Lead
