Young Carer	94.12%	5.88%	0%

Persistent Absence Rate 21.7% - 40 children have currently met this threshold in school compared to national at 20%.

Key Actions:

- A detailed analysis will take place to identify the reasons for absence and where necessary meetings will be held with parents and carers and an agreed action plan put in place.
- A termly attendance newsletter is now being sent out to all parents and carers to keep them informed of local and national developments around attendance.
- A new attendance display has been created outside and is updated weekly.
- A new attendance page has been created on the school website to promote attendance in school.
- Letters sent to all PA families. 15 out of the 40 have seen their attendance improve over the course of the term.
