Next Week's Question

How can you make your voice heard?

Democracy

As part of a democracy, we have the right to protest. It is one of the ways a group of people can show when they strongly agree or disagree with something and have their voices heard.

Attendance Prize Draw

The latest winner is:
Elliott in Y3

Reminder that your child's attendance must be above the school's target of 96.5% to be entered into the prize draw to win a £20 voucher of their choice.

The next draw will take place on the 12th April.

Spotlight on Year 6

We've had a busy first week back after half term in Year 6! This week we've finished our Geography learning off by learning all about time zones around the world. We looked at maps to work out what the time would be in countries furthest away from us. We are all really excited to start our learning about WW2 next week, especially as we had a special visit from the Anne Frank Trust before Christmas! In literacy we've started writing formal letters to Mr Silverwood requesting new technology for our school so let's cross our fingers that we end up with something new!
