This week
 This week has certainly been busy! We've had assessment week in school where the children have shown how amazing they are with the results from their assessments. We have had parents evening which was well attended in all classes. It was lovely to see parents in school and of course, as always, we welcome any feedback we can to continue to improve our school and its community. Finally, just to say a great big thank you for your continued support this term (how fast it has gone) and we hope you have a rest over Easter and we will welcome you back to school on Monday 8th April 2024.

Art week
 Our children have produced some amazing artwork this week, we cannot believe what wonderful, talented children we have in our school. Across school, children have explored shades of colours, for example in Year 5 they made shades of green that they didn't even know existed as part of their Henri Rousseau inspired artwork.

Easter Service in Church
 It was a great pleasure to see how much the children enjoyed the Easter Service in Church yesterday. Each class had a part and told the important messages of the Easter Story. It is wonderful to see how much the children have developed in their confidence when speaking, using clear voices.

Attendance Matters
 Well done to this week's winners:
Year 3
 Whole School Attendance
 This week: 93.65%
 This year: 93.7%
Attendance target: 96.5%

British Values
Next Week's Question
 Should there be a limit on how rich one person can become?

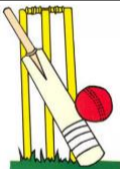

Individual Liberty
 We are free to make our own choices and pursue our own goals. At times, it is important to consider those less fortunate than ourselves when making decisions in order to make the world a better place for everyone.

Protected Characteristics

Everybody deserves fair pay for the work that they do. Today, there are still differences between the salaries of men and women, who do the same job.

Cricket Taster Day

All children will be taking part in a cricket taster session Tuesday the 9th April in school. Children can come to school in their PE kits on this day.

Dates for the diary

Easter Tombola

Thank you for taking part in our Easter Tombola. Our community was so generous with the 'bring an Easter Egg non-uniform day'! we will be counting the money and keeping you informed about how it is going to be spent. Thank you!

Spotlight on Year 2

The children have all worked really hard on their assessments this week. Well done everyone! As well as the hard work it has been an exciting week in school. The children in Year 2 were fantastic at learning their lines for the Easter service and they all projected their voices very well in church. The children have all made a fantastic effort this week with their artwork. They have learned all about the life and works of Vincent van Gogh. Then they practised mixing water colours and finally they painted their own pictures of sunflowers in the style of van Gogh.

Art week showcase

What wonderful examples of artists throughout school! We are so impressed with the pieces of work our children have produced.
