This week
What a wonderful first week back we have had in school. It has been a pleasure to see the children back to school with an amazing attitude towards their learning.
We have had some exciting news where Year 5 are going to have the opportunity for the children to be on stage at Take 2 Theatre in June where they will perform Charlie and the Chocolate Factory.
Details about the performance will be released soon.

Attendance Matters
Well done to this week's winners: **EYFS**

Whole School Attendance
This week: 94.1%
This year: 93.7%

Attendance target: 96.5%

Sports competitions

As the summer term begins, we are going to be taking part in sports competitions each Friday. These competitions are offered to all children within KS1 and KS2 throughout the year. If your child is taking part in the competition, you will receive an email to inform you of this. On the day, your child will need to wear their full school PE kit as they are representing school.

Eid Mubarak to our children and parents celebrating Eid al-Fitr this week!

Amazing Author!
KS2 had the amazing opportunity to where they joined a live zoom meeting with the author Rhian Tracey. The children have already received a letter about how to order the books which she has written so if you haven't brought it back to school, please do so that you can order her books at a cheaper price.

After School Clubs
Reminder that after school clubs start w/c 15th April. If you have returned a slip for this then your child has secured a place on the club. Payments will be available on your ParentPay from from Monday. Children should bring their PE kit to school and can change into this before the session starts.

Warmer Weather
Please make sure you are sending your children to school with a refillable water bottle and a hat with warmer weather hopefully on the way.

Reading explorers!
Miss Upton is soon introducing a flip book which children will be bringing home. One child per week will be chosen to create a fact page about their favourite book. This can include pictures within the story, images of the author and lots more...keep your eyes peeled for more information soon.

Spotlight on Year 3
This week we have been exploring myths and legends in preparation for writing our own stories. We have particularly enjoyed learning about Theseus and the minotaur. In History, we have continued our study of the Ancient Egyptians and used our skills to analyse historical sources.
We also had a cricket taster session where we worked on our bowling and fielding skills. We were absolutely bowled over with their sportsmanship.
Pardon the pun!

Cricket Taster session
Dean, from the Yorkshire Cricket board visited school on Tuesday to offer the children a session in cricket. The children used a range of skills to participate in the session. Children have received information about how they can sign up for the sessions to take part in cricket in our local community.
