This week

Well, it gives me great pleasure to congratulate our Year 6 children with the outstanding effort this week they have put into their SATs. I know that they have shown resilience, dedication and pure determination to the tests they have done this week.

As a school, and Headteacher I couldn't be prouder of them. They are now looking forward to rehearsing for their end of year show which is to be announced soon. In other news across school, I cannot believe where this half term has gone and that we break up next week. Please remember that our last day at school is next Thursday 23rd May 2024 as there is an INSET day next Friday. We return to school on Monday 3rd June 2024.

Sports Days

Reminder that children can come to school in their Team Elsecar PE kits on the day of their sports day.

Outstanding Debts

Please make sure that all debts are cleared on ParentPay as soon as possible and before we break up next week. We have a number of debts for breakfast clubs, school dinners and after school clubs. Thank you.

Spotlight on Year 1

This half term we have been writing instructions. We started with making delicious jam sandwiches and then moved onto writing about how to catch an alien. In mathematics we are learning to recognise the 1p, 2p, 5p and 10p coins and knowing how many pennies are in each of these coins. In RE we are learning about Shabbat which is a Jewish celebration that takes place every Friday dinner time until Saturday dinner time. In history we have been learning about life in the decades from 1950 to 2020. We have really enjoyed dancing to the popular singers and bands from each decade. The Beatles were a big hit with the children with lots of them choosing to boogie!

Attendance Matters

Well done to this week's winners:

Year 2

Whole School Attendance

This week: 88.6%

This year: 93.5%

Attendance target: 96.5%

British Values

Is it fair to judge others based on first impressions?

Democracy

We each have a voice that we can use to share our opinions and desires. It is important that we use our voice to stand up for the things we believe are important, as this can lead to meaningful change.

Protected Characteristics

People can be underestimated because of their sex. However, when given equal opportunity, we all have every chance of success.

DT week

Throughout school we are going to be having a focus on Design and Technology next week. Try to discuss with your child what they are planning on making and look for their creations coming home either next week or the first week back after the holidays.

Dates for the diary

Important Dates

Monday 20th May

EYFS Sports Day at 9:30am
KS1 Sports Day at 1:30pm
Cricket after school club Y3 - Y6
