This week
What a great week we have had in school this week, with the warm weather to match it. It has been lovely to see the children coming to school prepared for the warmer weather with their suncream and plenty of water and of course their sun hats. Year 6 have been busy practicing for their Wizard of Oz show. Mrs Westwood and Year 5 got a sneak preview of a couple of songs and couldn't believe how fantastic the children's voices were. We have a real buzz around school and by providing the children with the opportunities to perform, it's has made a real difference to the confidence of our wonderful children. I hope you have a great sunny weekend and we will see you all for another great week next week.

Attendance Matters
Well done to this week's winners:
Year 6
Whole School Attendance
This week: 90.5%
This year: 93.0%
Attendance target: 96.5%

Dates for the diary

Year 6 End of Term Performance
A letter has been sent home with your child today with details of the end of term performance. Please make sure you complete the reply slip and return it to school by Friday 5th July.
Thank you!

British Values
What does it take to be an Olympian or Paralympian?

Mutual Respect and Tolerance
The Games in Paris will bring people together from all over the world. We understand that we are all different in lots of ways, and everyone deserves to be treated with respect.

Protected Characteristics

On the world stage of the Olympics and Paralympics, we can celebrate people from all different cultures and continents. We can learn from our differences.

Year 5 Bikeability

Year 5 have had a wonderful time this week becoming more proficient when riding their bikes. Groups of children have had the opportunity to take out their bikes during the morning, taking them on the road and learning all about what to look out for. The children learnt how to signal, learnt about major and minor roads. The children have spoken very highly about the knowledge they have learnt.

Summer Raffle
Reminder that we are holding the Summer Raffle in school. The draw will take place on Wednesday 17th July 2024 and the winning numbers will be sent out so that you will be able to claim your prize, if you win. Mrs Wattam will be going around the classes so if you would like to send your child with £1 to buy a strip of tickets then you may do so. If you would prefer to order raffle tickets directly from the school office, please use the slip that was sent out.

Spotlight on Year 6
We've been having such a busy half term for our final half term of the year! Our Wizard of Oz rehearsals are going incredibly well and we really can't wait to share this with everyone at the Take 2 theatre on the 18th of July. We've also been spending time finishing our World War 2 unit of work, as well as learning about growing and changing in PSHE. We are also very excited for our trip next Wednesday to enjoy some bowling and a delicious meal at TGI Fridays.

Year 6 Leavers' Day Out

On Wednesday, the children in Year 6 are going to have a brilliant day. They are going bowling and then to TGI Fridays for a meal. Please make sure you let the school office have your child's food pre-order and please make payment for this via ParentPay. If you have any issues with payment, please contact the school office.
