Yorkshire Baker

Year 5 had a visit from a local baker who runs the local bakery shop in Elsecar. The children loved learning all about how Dave set up his business and what it takes to be a business man. The children then had the opportunity to bake their own bread. We had some lovely comments from parents and provided a great opportunity for the children.

British Values
 What is loneliness?

Individual Liberty
 Anyone can feel lonely, and at times it is hard to reach out for help. We can each make choices to be considerate of others and provide love and support for those who might be feeling lonely.

Protected Characteristics

Elderly people may be more vulnerable to feeling isolated and lonely. We can be mindful of this so that we may offer help when needed. We all deserve to feel happy and loved.

Year 3 Musical Performance
 A big thank you to our Year 3 children who took part in our Musical performance. The children had a great time performing with our other Trust Schools. A big well done to those children!

Spotlight on EYFS
 In Class Woodhouse this week we have been getting prepared for our school trip to the seaside! We have read Sharing a Shell by Julia Donaldson and found out about all the exciting things you can find in rockpools. We know all about starfish, bristleworms and hermit crabs now.
 In maths we have been practicing recognising and writing numbers carefully. We have loved playing outside, especially on sunny days, we have been making water fountains with our friends and playing in our new sand pit.

Year 6 Day Out
 Year 6 had a great day yesterday where they visited Barnsley on the train to go bowling. The children loved their game of bowling and their meal at TGI Fridays.
