This week
 What a great week we have had in school this week. We seem to have got off to a flying start and the children have come back with an excellent attitude towards their learning. The children have had a wonderful time learning all about how Harvest is celebrated in different religions, included Hinduism, Judaism and Christianity. The children learnt all about the festivals which includes writing about them and creating some wonderful artwork. It was great to see the parents who attended the 'Meet the teacher' meeting on Wednesday and Thursday. I would just like this opportunity to thank you for your continued support with your child's learning. I hope you have a wonderful, restful weekend.

Hoyland Sports Partnership
 Some of our Y5 & Y6 children attended the football competition at Hoyland Common Primary today. Well done to those who participated. Please look out for sporting updates on our X (Twitter) page @ElsecarPE

British Values
 How can photos shape the world?

Mutual Respect & Tolerance
 Photographs can provide a unique view into the wider world. They can help us to learn about and care for animals and environments that we may not previously have been aware of.

Protected Characteristics

 The Wildlife Photography competition includes a category for young photographers to enter their pictures, showing that work is valued from everyone, no matter their age.

 **UN Rights of the Child**

Reminder
 Please remember to label your child's school uniform. We've seen an increase clothing handed in with no names, thank you.

Class Spotlight on Year 1
 Year 1 are off to a great start! This week we have been learning how to spell new words, stick work into our new exercise books and move carefully and quietly around the classroom. We have shared stories we love at the start of each day. In maths we have been sorting objects into 2 groups and counting objects to 10. In literacy we have written sentence about our summer holiday fun! In Religious Education (R.E.) we have been learning about how Christians celebrate Harvest every year in autumn. We really enjoyed drawing and labeling our favourite harvest fruits and vegetables. We really have been busy bees! We also welcomed our parents into our new classroom so that they know about our learning journey this academic year and how they can help us.
