This week

What an exciting week we have had in school this week! The children IN Year 1 have had a great time and were able to speak confidently about what they had learnt during their Conisbrough Castle trip to enhance their history learning. A big thank you to our parents / carers in Foundation and Year 6 who were able to attend our Harvest Festival yesterday, the festival just seems to be getting better and better each year. The children sat beautifully, and the children were able to speak confidently throughout their performance. Thank you for all the food item donations which will be going to the Barnsley Food Bank to help those in need.

Please note the dates of the parents' evenings as we would love to welcome you into school to discuss how your child has settled in their new class. Be sure to check the email regarding your Arbor Parent Portal and how to access this if you haven't logged onto it already.

Have a wonderful weekend, and we look forward to having another exciting week next week.

Class Spotlight on Year 3

What a start to the school year so far in Year 3. It's been an absolute pleasure to get to know all the children and embark upon our Y3 journey. We are doing amazing so far in our TTRockstars, our results keep getting better so keep up the good work. This week we've had harvest festival and it was a pleasure to see the children perform in church with such confidence. We've got some amazing talent brewing in Y3. Today we have been doing our Independent write and we've had some fantastic descriptive writing about Willy Wonka's Chocolate Factory. Here's a few pictures of our learning so far.

Well done Year 3.
