### This week

It's been another wonderful week in school. All the children have worked so hard this week and produced some beautiful work which they should be proud of. The Year 6 children visited Crucial Crew on Monday and they all thoroughly enjoyed the day out where they learnt important life skills. As we head into December, please take a moment to see the dates for the diary to ensure you are aware of the special dates in school.

### British Values

What does it mean to feel included?

#### Individual Liberty

Everyone has the right to be included in sports. Through our choices and our actions, we can help to ensure everyone is included.

#### Protected Characteristics

Everyone should be able to participate in football. The football scheme, Comets, provides sessions for disabled children. Sport can help us celebrate the strength and skill of others, no matter who they are.

### Year 6 Crucial Crew

### Inter Schools Sports Competition

Today some of our Year 5 and Year 6 children participated in the netball competition Kirk Balk Academy. They all had a great time and were brilliant ambassadors for our school. Well done!

### Class Spotlight on Year 3

This week in RE we have been learning about the meaning of Christmas and why it is important to Christians. The children have been making a class display and a poster about what Christmas is about and some ideas on what they believe is important at this time of year. In Maths, we are in week 2 of learning about fractions and the children have been amazing in showing their understanding of adding fractions with the same denominator and explaining which fraction is great, less than or equal to. Well done to all the Year 3 children, keep working as hard as you have been!
